

An invitation to join our
CIRCLE *of* CHANGE

Our **Circle of Change** is a unique group of people from all walks of life who want to help N.Irish communities to flourish, in the midst of the challenges we face.

Over a 6 month period, we'll share our diverse stories and learn more about ourselves, each other and our community.

As a team, we will also harness our skills, resources and networks to fund a pioneering community initiative which is helping to bring change in Northern Ireland.
