## Fundraising in the Midst of Crisis Workshop

Faced with a global health pandemic and economic upheaval worldwide, non-profit organizations are experiencing significant challenges in their approaches to resource development.

Join the dialogue with leaders of other small to mid-sized organizations toward designing a sustainable way forward:

- **Explore** crisis fundraising opportunities
- **Reflect** upon lessons learned during the Great Recession of 2008
- **Assess** your organization's current funding position
- **Realign** your fundraising goals for the remainder of 2020
- **Consider** the expectations of your donors, funders, and income generation
- **Examine** online fundraising opportunities
- **Create** a clear and measurable Action Plan
